

ANNUAL REPORT : 2010-2011

To provide insight about pharmaceutical industries CIPS organizes both industrial and educational tour visits. In this regard, very recently, about 40 students of IV/IV B.Pharmacy students visited Karnataka Antibiotics and Pharmaceuticals Limited (KAPL), Karnataka in the month of January-2011 and during the month of August-2010 about 20 M.Pharmacy students visited small and medium pharmaceutical industry centre run by NIPER, Mohali.

Sir, to make cognate relationship between old students and CIPSANS, to disseminate the happenings of college and to seek information about career prospects etc... **CIPS** constituted an **Alumini Association viz, CIPSAA** on **27th June-2010** to ramify the network of CIPSANS throughout the world. About 200 old students were already registered. On the same day of occasion CIPS launched a CIPS News Letter providing an information about faculty, students and various activities held within the campus and also to have a glimpse of record about Alumini's accomplishments. Moreover, Glowchem Laboratories, Hyderabad conducted campus interviews in our institute for II/II M.Pharmacy students. Among them 5 were shortlisted based upon technical and HR rounds.

Sir, the IV/IV B.Pharmacy have to appear for University theory and practical examinations. The class work of I/IV, III/IV B.Pharmacy, M.Pharmacy and Pharm.D is going as per the academic calendar. The 2nd year M.Pharmacy students are likely to complete their course by august. This is in brief, the annual report of this college.

ANNUAL REPORT : 2010-2011

ANNUAL REPORT : 2010-2011

The most distinguished chief guest Prof.Y.R.Haragopal Reddy, Honourable Vice-Chancellor, Acharya Nagarjuna University (ANU), the guest of honour Prof. H.G.Shivkumar, Principal, J.S.S.College of Pharmacy, Mysore, Karnataka State; Dr.R.Jagadish Babu, CEO, Biophore Pharmaceuticals, Hyderabad, Sri Y.V.Anjaneyulu, President, Chalapathi Educational Society (CES), the members of Academic Advisory Board, Chalapathi Educational Society, The faculty, The supporting staff, students and parents I extend a cordial welcome to all of you on the occasion of 7th Annual Day Celebrations of Chalapathi Institute of Pharmaceutical Sciences (CIPS).

Since inception 2004, Chalapathi Institute of Pharmaceutical Sciences (CIPS) has made rapid strides in academic, curricular and extra curricular activities along with its significant research contribution to deliver high quality of pharmacy education.

The institute was approved by the Pharmacy Council of India (PCI), All India Council of Technical Education (AICTE) and State Govt. of Technical Education. The institute has been offering four year's B.Pharmacy course, 2 year's M.Pharmacy course (Pharmaceutics & Pharmaceutical Analysis) and 6 year's Doctor of Pharmacy (Pharm.D) course affiliated to Acharya Nagarjuna University (ANU) and also offers Ph.D.in the Pharmaceutical Sciences affiliated to Krishna University, Machilipatnam.

ANNUAL REPORT : 2010-2011

The hallmark of this college is, having excellent infrastructural facilities with sophisticated 21 state of the art laboratories. Especially, the central instrumentation laboratory was upgraded very recently with FT-IR (ATR module) an automated biochemical analyzer and an imported Turbo evaporator a worth of 20 lakhs. In addition, the college possesses a well stocked library consisting of 5,225 volumes, 1,567 titles, 61 national and international journals.

Currently, the faculty of the college consists of 27 staff members who are highly motivated and devoted towards teaching and research. In this regard, it is heartening to note that on 31st convocation of Acharya Nagarjuna University **Sri M.Eswar Gupta and Sri A.Narendra Babu** conferred **Doctorate (Ph.D) in pharmaceutical sciences**. About 7 other faculty members were also obtained Ph.D. degree either from Acharya Nagarjuna University (ANU) or by Jawaharlal Nehru Technical University (JNTU), Hyderabad by utilizing the laboratory and technical facilities of this institute.

Further our faculty are self-motivated and are very keen not only to publish both research and review articles in peer reviewed journals (National & International) but also to attend various scientific conventions, national seminars / symposia organized elsewhere. To mention, for the academic year 2009-2010 and to till date a total of

ANNUAL REPORT : 2010-2011

Apart from academic front, CIPS students regularly participated in extra curricular (or) co-curricular activities held elsewhere. To mention they participated in Inter Collegiate youth festival organized by ANU in August-2010 and 2nd year M.Pharmacy as well as 4th year students participated in Academic Exhibition organized by ANU and conducted blood grouping, B.P. testing and showcased The Capsule : Pharmaceutical Exhibition. This institute organized a state level Pharma Quiz-2011 on 5th March-2011. 50 teams from all pharmacy colleges of Andhra Pradesh were actively participated. In regard to NSS and Social service programs, the students of CIPS-NSS unit were actively participated in various NSS activities organized by the institute in and around Guntur. Very recently, "A Clean and Green program" was took place at the campus. About 2,000 and odd visitors of Dhyana Mahachakra utilised the services of CIPS free medical camp at Amaravathi for ten days. Similarly, 2,500 citizens under went free medical checkup and various clinical tests for diagnosis of the diseases at the stall instituted during chekumuki scientific exhibition at Patibandla Seeta Ramaiah High School organized by Jana Vignana Vedika.

Sir, I apprise that, with an objective to disseminate current and updated information about adverse drug reactions, contraindications and patient counselling, CIPS has setup and inaugurated the Department of Pharmacy Practice and Drug Information Centre at GGH, Guntur. In relation to this, a quarterly "Therapeutic News Letter" on pharmacy practice was also launched for the benefit of Pharm.D students and medical faternity.

ANNUAL REPORT : 2010-2011

General Hospital, Guntur and “Role and Responsibility of clinical pharmacist” was delivered by Dr. V.Narendra, University of Alabama, USA, to Pharm.D students. Moreover, a special intensive workshop on handling and trouble shooting of HPLC, UV-Visible spectrophotometer, FT-IR was imparted to the students of this institute and to the students of various colleges in collaboration with “Institute of Biological Sciences”, Vijayawada. A special practical training program was imparted exclusively to M.Pharmacy students (Pharmaceutics & Pharmaceutical Analysis) on an imported Turbo evaporator, Zymark corporation, USA.

Sir, I wish to inform you that, students of this institute present scientific papers in various scientific conventions and symposia conducted by several pharmacy colleges. To cite, about 30 students of III/IV B.Pharmacy were actively attended and presented papers at two day national seminar “Pharma Quest-2011” organized by Dr.Samuel George Institute of Pharmaceutical Sciences (SGIPS), during 25th-26th February-2011, 4 students secured 1st prize and 3 students bagged 2nd prize. Moreover, along the year, both final year and III year B.Pharmacy student’s present seminars regularly every week on various advanced topics assigned to them. The best presenters among the students are awarded with the prizes. With an objective to improve research aptitude and quality research by the students an interim project reviews were conducted on the last saturday of every month to II/II M.Pharmacy students.

ANNUAL REPORT : 2010-2011

40 papers were published. Our faculty viz., Mr.V.Venkatesh, Assistant Professor and Mr.P.V.Suresh, Associate Professor attended to AICTE sponsored Staff Development Programme on “Recent Advances in Novel Drug Delivery Systems” organized by K.M.C.H.College of Pharmacy, Coimbatore during 15th-28th April-2010 and Mr.M.Sathish Kumar, Lecturer attended to workshop on **“Documentation Requirements for Pharma Industry”** on 21st August-2010 at NIPER, Mohali. Moreover, it is laudable to our Institute that **Mr.S.S.Mani Kiran, Associate Professor** received **Gold medal** and a reward of **Rs.5,000/- Cheque** at 62nd Indian Pharmaceutical Congress (IPC), during 17th to 19th December-2010, Manipal, Karnataka for the National level essay competition conducted on the topic **“Innovation : A Growth driver for Indian Pharma”**.

I am delighted to present the academic excellence of our institute. Since six years, the students are consistently performing in the University year-end examinations.

- For the **academic year 2009-10**, of 66 students appeared for IV/IV B.Pharmacy annual examinations, 54 students secured distinctions and Mr.R.Rama Krishna stood college first with 97.5%.

ANNUAL REPORT : 2010-2011

- For the **academic year 2009-10**, of 70 students of III/IV B.Pharmacy appeared for University examination, 52 secured distinctions and Miss. M.Usha Sree stood college first with 94.5%.
- For the **academic year 2009-10**, of 63 students of II/IV B.Pharmacy **4th Semester** appeared for University examination, 32 secured distinctions and Miss. J.Nalini stood college first with 90.71%.
- For the **academic year 2009-10**, of 57 students of I/IV B.Pharmacy 1st & 2nd Semester appeared for the university examinations, 40 secured distinctions and Miss. B.Salini Krishna bagged college first with 88%.
- For the **academic year 2009-10**, of Miss.P.Ravikiranmai secured first in II/II M.Pharmacy Examinations.
- For the **academic year 2009-10**, of Mr. Ch.Krishna Mohan of II/II M.Pharmacy secured first in I/II M.Pharmacy examinations.

In order to encourage and develop sportivespirit among the students in academics, the college announcess scholarship of Rs 50,000/- to the students who evince merit in academics. Each meritorious student receives a cash prize of Rs. 5,000/- for his merit. An AICTE scholarship of amount 26,88,000/- was sanctioned to 28 GPAT-2010 qualified students pursuing I/II M.Pharmacy in this institute. Where as for the academic year 2009-2010, 11 students were disbursed an amount of 14 lakhs of AICTE scholarship.

Sir, I here by make a note that, keeping in view of aspirants of GPAT & PG CET entrance examinations, CIPS

ANNUAL REPORT : 2010-2011

conducts a special “**Intensive Coaching for Competitive Examinations**” (**I C C E**) classes every day morning from 08.30 am to 09.30 am. The performance of students was appraised by weekend examination on the topics covered during that week. About 47 passed out students of 2009-2010 batch who availed this ICCE coaching were admitted into M.Pharmacy courses in the most reputed National institutes across India. Where as, about 20 students of the same batch secured admission into various Universities in USA.

Sir, It gives me immense pride and privilege that our 2009-2010 batch student **Mr.R.Rama Krishna** was awarded with **M.L.Khorana Medal** at 62nd Indian Pharmaceutical Congress (IPC) held at Manipal, Karnataka during 17th-19th December-2010 for securing a **highest percentage of Marks in IV/IV B.Pharmacy** among all the pharmacy colleges in India.

Realizing the changing paradigm of pharmaceutical sciences, the institute regularly organizes seminars, guest lectures, workshops to keep the students abreast to the latest (or) current scientific knowledge. To cite, recently a guest lecture on “Organic Spectroscopy : Principles and applications was delivered to M.Pharmacy students. Prof. G.Achaiah, Kakatiya University, warangal is the resource person and A two day seminar on “Organic NMR Spectral Elucidation” was delivered by Prof.K.Sambasiva Rao, IIT, Mumbai. Besides, Guest lecture on “Blood donation : A Civic Responsibility” by Dr. V. Anasuya, Government
