**CHALAPATHI INSTITUTE OF PHARMACEUTICAL SCIENCES
(AUTONOMOUS)
ANNUAL REPORT (2023-2024)**

Chalapathi Institute of Pharmaceutical Sciences (Autonomous) has consistently excelled in pharmaceutical education and research, emerging as a premier centre of excellence since its establishment in 2004 under the auspices of the Chalapathi Educational Society. Our programs hold approvals from esteemed regulatory bodies including the Pharmacy Council of India (PCI), the All India Council of Technical Education (AICTE), and the University Grants Commission (UGC) for 2f and 12B categories. Additionally, our research endeavors are endorsed by the Department of Science and Industrial Research and the Department of Technical Education, Government of Andhra Pradesh. We have been recognized as a Ph.D. research centre by Acharya Nagarjuna University, and our quality management systems are certified under ISO 9001:2015 standards. Achieving autonomous status from the UGC in 2016 further underscores our commitment to academic excellence. Permanently affiliated with Acharya Nagarjuna University, our institute also boasts an MSME-approved Business Incubation Centre, fostering innovation and entrepreneurship. Notably, our institution has been consistently ranked by the National Institutional Ranking Framework (NIRF) since 2017, achieving a commendable 89th position at the all-India level in 2023. The accreditation of our B. Pharmacy program by the National Board of Accreditation (NBA) from 2022 to 2025 reflects our dedication to maintaining high educational standards. Furthermore, our reaccreditation by the National Assessment and Accreditation Council (NAAC) with an A+ Grade (Excellent) and a commendable CGPA of 3.37 out of 4 underscores our relentless pursuit of academic excellence. Offering a well-structured curriculum across undergraduate and postgraduate programs in four specializations—Pharmaceutics, Pharmaceutical Analysis, Pharmacology,

and Regulatory Affairs—as well as the Doctor of Pharmacy (Pharm.D) program, we continue to enrich our offerings as an autonomous body committed to academic advancement.

01. ACHIEVEMENTS

Throughout the academic year 2023-2024, the faculty and students of Chalapathi Institute of Pharmaceutical Sciences (Autonomous) demonstrated remarkable scholarly productivity. A total of 45 research papers were published in prestigious national and international journals, accumulating an impressive impact factor of 42.379. Additionally, 09 patents were published during this period, with 7 patents successfully granted. In a testament to their academic prowess, students contributed significantly by authoring 9 book chapters, while faculty members contributed 6 chapters. Moreover, the faculty authored 3 books, further enriching the academic landscape of the institution.
