362 responses

### 6. The courses enhance the analytical/ problem solving / critical thinking/ innovative skills

362 responses

## Others Suggestions

282 responses

- .
- Best among best
- Theory application
- .
- It will be very helpful if more practicals are conducted for the recent advances.
- laboratory experiments
- Include molecular docking practical sessions in regular curriculum
- Include labs for hospital pharmacy
- Just need one library hour
- .
