How MVP help us - Start ups?

1. **Require Validation** - Bright ideas too get rejection. MVP helps a lot of ideas the value proposition.
2. **Early Customer Acquisition** - Reach as many users as you can. Gather feedback. Communicate the value. Create an early user base.
3. **Value Proposition Focus** - Helps understand different problems customers are struggling with. Get graphical expression of MVPs in 4-7 days.

Goal: To help start ups validate their opportunity hypothesis to get the green light for developing a full-fledged product.
