Students of the institute are well placed in industries and higher educational institutions for higher studies.

Dear Pharmacy Students, This e-poster competition themed "Innovation in Action: Enhancing Drug Effectiveness and Patient Care" focuses on how modern drug delivery systems are transforming healthcare. Novel drug delivery systems enable targeted delivery, reduce side effects, and maintain optimal drug levels over time. These innovations improve patient compliance by making therapy easier and more convenient. Advanced technologies like nanocarriers, liposomes, and smart delivery systems are paving the way for personalized medicine, shaping the future of safer, more effective healthcare.

OBJECTIVES

- 1.To explore innovative drug delivery systems: Highlighting technologies that improve drug targeting, absorption, and stability.
- 2.To improve drug effectiveness: Enhancing bioavailability, controlled release, and therapeutic outcomes.
- 3.To enhance patient care and compliance: Reducing dosing frequency, side effects, and improving convenience.
- 4.To showcase modern approaches in personalized medicine: Tailoring drug delivery to individual patient needs for optimal results.

COMPETITION GUIDELINES

- 1.The competition is open to all pharmacy students (B. Pharm./Pharm. D/M. Pharm./Ph.D's)
- 2.One participant submit one e-poster entry
- 3.Submission deadline: [03/11/2025]
- 4.Shortlisted participants can present their e-posters by online mode.

VISION

To inculcate excellence in various fields of pharmacy, mould the institution as centre of excellence in terms of academics and advanced research.

MISSION

Committed to impart quality pharmacy education and research to meet global standards.

PROGRAMMES OFFERED

- B. Pharmacy
- M. Pharmacy (Pharmaceutics)
- M. Pharmacy (Pharmaceutical analysis)
- M. Pharmacy (Pharmacology)
- M. Pharmacy (Regulatory affairs)
- Pharm.D
- Ph.D

FACILITIES

- Fully equipped laboratories with pilot plant
- Medicinal plant garden & drug museum
- Audio visual facility
- Experienced faculty
- Research center for Ph.D programme
- Guidance for research & book chapter publications
- Skill development courses
- Digital library
- Coaching for competitive examinations

THEME

"INNOVATION IN ACTION:
ENHANCING DRUG
EFFECTIVENESS AND PATIENT
CARE"

NATIONAL E-POSTER COMPETITION ON
"TRANSFORMING THERAPY WITH NOVEL
DRUG DELIVERY SYSTEMS"
8th November, 2025

Organized by
Department of Pharmaceutics
